

**Data sheet – Gas Regulator**

**S-Flow**

|                                 |   |
|---------------------------------|---|
| <b>Type</b>                     | Variable Flow   |
| <b>Inlet</b>                    | 7/16" x 28 UNEF-2B Aerosol<br><b>or</b><br>C10 (5/8" UNF M) |
| <b>Outlet</b>                   | 4 mm Hose Barb  |
| <b>Available Flow Rates</b>     | 0 – 1,0 l/min.  |
| <b>Available Body Materials</b> | Aluminium   |
| <b>Gauge</b>                    | 70 bar / 1000 psi   |
| <b>Cylinder Type</b>            | 12 Ltr. / 34 Ltr. / 60 Ltr. / 110 Ltr.                      |

| Material-No. | Flow Rate      | Body Material       | Cylinder Type                |
|--------------|----------------|---------------------|------------------------------|
| 1151203101   | 0 – 1,0 l/min. | Nickel Plated Brass | 34 Ltr. / 60 Ltr. / 110 Ltr. |
| 1152103111   | 0 – 1,0 l/min. | Nickel Plated Brass | 12 Ltr.                      |
